# About Sinemas

## WHO WE ARE

---

With over 20 years of experience, Sinemas has established itself as a leader in designing bespoke entertainment spaces. From immersive cinema rooms to elegant media walls and TV walls, we specialise in creating luxury products that blend cutting-edge technology with timeless design.

We deliver tailored solutions that bring a new level of sophistication and functionality to modern living.

## LOCALLY CRAFTED LUXURY

---

Every Sinemas product is designed and crafted within 50 miles of our Nottingham showroom. By partnering with skilled local artisans, we ensure exceptional quality while supporting British craftsmanship and reducing our environmental footprint. This approach allows us to maintain meticulous attention to detail, control lead times, and create pieces that enhance your home with unparalleled style and performance.

## OUR DESIGN PROCESS

---

With decades of expertise and having designed more private cinemas than anyone else in the UK, we've refined a design process that is second to none. Using advanced 3D modelling, we create visuals that not only bring your vision to life but also serve as the foundation for production, ensuring what we design is exactly what you receive. Alongside fully tailored spaces, we've developed a collection of signature products, including our TV walls and Loud Art panels, that deliver style, performance, and reliability without the need for custom design each time. Whether bespoke or signature, every Sinemas product reflects our dedication to craftsmanship and innovation.

# WALLS

## WHERE DESIGN MEETS ENTERTAINMENT

---

Our Walls are more than just a way to mount your TV—they're a statement of luxury and innovation. Designed to seamlessly blend into your living space, they combine advanced audio options, flawless craftsmanship, and sleek aesthetics to transform any room into a hub of style and entertainment.

Handcrafted with precision, each Wall conceals all cables, speakers, and amplification within its elegant structure, delivering a clean, minimalist look without compromising on performance. Available in a range of finishes and configurations, our Walls are tailored to suit your space while delivering premium audio and visual experiences.

Whether you're enjoying your favourite show, a family movie night, or simply admiring the craftsmanship, our Walls are designed to make every moment extraordinary. It's not just a feature for your home—it's a centrepiece of entertainment and style.

# MINI WALLS

COMPACT ELEGANCE, POWERFUL PERFORMANCE

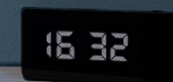

---

Our Mini Walls are the ideal solution for adding style and functionality to smaller spaces without compromising on performance. Handcrafted in our own workshop with the same attention to detail as all our products, they are designed to accommodate TVs up to 65 inches while discreetly housing all amplification and speakers within their elegant structure. The result is a sleek, minimalist look that delivers incredible audio and visual performance.

Whether you're after a premium two-channel sound system or looking to enhance the experience with a paired subwoofer, our Mini Walls offer flexibility to suit your needs. Perfect for kitchens, bedrooms, or compact living spaces, their versatile size makes them ideal for mounting above a worktop or sideboard, seamlessly integrating into your home's design.

For added functionality, you can include a specially designed shelf underneath—perfect for housing games consoles or for extra storage, making these walls a fantastic choice for kids' rooms or multi-use spaces. Combining sophisticated aesthetics with powerful performance, our Mini Walls are the perfect blend of style, versatility, and functionality for any room.

# MEDIA ROOMS

## THE PERFECT BALANCE OF STYLE AND IMMERSION

---

A media room is the ideal space for those who want to enjoy the thrill of immersive entertainment without the scale of a full cinema room. Designed with versatility in mind, our media rooms feature our signature TV Walls and panels, delivering incredible audio and visual performance while complementing the style of your home.

Every media room is crafted to provide a tailored experience, with surround sound systems that create an enveloping atmosphere for films, TV shows, or gaming. Perfect for smaller spaces, they combine cutting-edge technology with sleek design, ensuring every element works harmoniously.

Whether it's a place to unwind with family, host friends for a game night, or simply escape into a world of entertainment, our media rooms deliver luxury, functionality, and an experience you'll love to come home to.

# FEATURES

---

## MIND BLOWING AV

Our media rooms deliver an unparalleled entertainment experience, thanks to cutting-edge technology and expert design. At the heart of these spaces is Lyngdorf Audio, renowned for its crystal-clear sound and precision. Combined with Dolby Atmos, you'll experience immersive, three-dimensional audio that places you right in the middle of the action, whether you're watching a blockbuster, streaming a series, or gaming.

To ensure everything performs flawlessly, every system is expertly calibrated to your room, guaranteeing perfect sound and picture quality. With a massive TV as the centrepiece, our media rooms create a stunning visual and auditory experience that redefines home entertainment.
